FIRM POSITION

Julie is a Senior Clinical Consultant in RKL's Senior Living Consulting Group. Julie's role is to keep clients current on industry regulations and best practices and help with potential reimbursement opportunities. She will present a variety of training curricula and provide educational tools for senior living operations team members.

PROFESSIONAL & BUSINESS HISTORY

Julie has been a registered nurse for the past 20 years, beginning her career in acute care. She transitioned to serving in post-acute care for the last 13 years in nursing leadership positions. Her time in nursing leadership has allowed her to inspire, influence, and motivate nursing staff and other healthcare workers to achieve their highest potential and quality healthcare services in skilled nursing and rehabilitation facilities. Julie has led teams through Electronic Health Record implementation, deficiency-free surveys, and five-star ratings. Julie looks forward to continuing to grow and lead in providing quality care to aging adults with RKL.

EXPERIENCE

- Expertise serving as a Registered Nurse Assessment Coordinator to ensure regulatory compliance in Medicare, Medicaid, Managed Care and Sub-Acute settings.
